RESEARCH & APPLIED ANALYTICS

Student Researcher (Jan 2026) | Circular Credits for Farmers (C4F): A Democratic Game for Farmers

- **Award:** Global Outstanding Writing Content Prize, Harvard International Review Academic Writing Contest.
- Investigated systemic inequalities in global carbon markets with a focus on coffee farming in Gia Lai, Dak Lak.
- Proposed a conceptual blockchain-based circular credit model to decentralize carbon value distribution and link carbon credits to verifiable farming actions.

Co-Author & Data Assistant (Dec 2025) | QR Code-Based Food Traceability and Consumer Behavior Toward Food Safety in Vietnam

- **Publication:** ***Tennessee Community Service International of Empowerment, 2(2), 18-36.***
- Co-authored with Dr. Do Hai Yen, Dean of the Faculty of Economics & Business Administration - Tan Trao University
- Assisted in designing and executing a cross-sectional survey of 400+ consumers in Hanoi and Ho Chi Minh City.
- Explored basic econometric models to evaluate the correlation between digital traceability and consumer purchase intent.

Student Researcher (2024) | Awareness Disparities in Sustainable Development and Their Impact on Sustainable Career Choice Behavior Among High School Students in Dak Lak Province

- Surveyed 200 Grade 12 students to analyze demographic disparities in sustainable development awareness based on gender and geographic location.
- Applied ANOVA and logistic regression via SPSS to identify significant knowledge gaps in economic and social sustainability between urban and rural demographics.
- Built an 89.5% accurate predictive model ($p < 0.001$) demonstrating that higher sustainability awareness directly correlates with sustainable career choices.

ENTREPRENEURSHIP & COMMUNITY IMPACT

CAFLOOP (Green Coffee Husk Project) | Founder — **Sep 2024 - Present**

A circular-economy venture upcycling coffee agricultural waste to reduce CO_2 emissions.

- Founded a sustainable venture upcycling CO_2-emetting coffee husks in Dak Lak into commercial Cascara tea; managed end-to-end operations during the bootstrapping phase: tracked COGS, optimized pricing strategies, and developed a QR-code traceability system for packing.
- **Highland Girl's Fund:** Generated 12,000,000 VND in net profit to establish a local community fund. Financed essential school supplies, renovated community living spaces, and organized comprehensive workshops forcusing on sex education and life skills.
- Partnered with the Ea Wer Project and Hoa Sen Bridge Alliance.

T'rưng Cultural Education Project | Founder & Organizer — **Nov 2024 - Present**

An educational initiative transforming T'rưng oral heritage into a structured curriculum to empower local youth.

- Synthesized indigenous T'rưng oral heritage from the Central Highlands into a structured educational curriculum.
- Coordinated performances and interactive workshops across 12+ schools and engaged ~2,300 students.
- Managed a cultural media page (5,000+ followers) and digitized performances via a YouTube archive (10,000+ views) to promote cultural preservation.

Dakonomics Club | Founder & President **May 2025 - Present**

The first high-school economics and business club in Dak Lak Province.

- Established and managed a 9-person core team to connect students across 5 local high schools.
- Built a digital "CaseBank" analyzing real-world business cases using strategic and pricing frameworks.
- Organized the **Green Ideas Competition**, a business case contest focused on SDG 12 (Responsible Consumption).
  - Engaging participants from 18 provinces (including Hanoi and Ho Chi Minh City), creating a case-solving platform in Dak Lak focusing on SDG 12.
  - Designed case problems and evaluation systems focused on strategic thinking and sustainability; selected Top 14 teams for semifinals and 7 finalists.
  - Organized a professional workshop (50+ students) and developed a mentoring program with experts from Vietnam National Startup Support Center and universities.

COMMUNITY VOLUNTEER INITIATIVES **2024 - Present**

- ***Hoa Sen Bridge Alliance (Vietnam's Representative):*** Led local safety workshops & distributed 500 reflective wristbands in Dak Lak, contributing to a 35,000-item tri-nation campaign (Vietnam, Korea, Philippines).
- ***Whisper of the Wild (Head of External Relations):*** Directed a product-based fundraising campaign; utilized financial spreadsheets to track COGS, generating 4,000,000 VND in net profit for the Cu Chi Wildlife Rescue Station.
- ***Ea Wer Project (Coordinator):*** Mobilized resources to donate 77 bicycles and 2 smart TVs to underserved primary students in Dak Lak.
- ***Public Service:*** Supported logistics for the VIASM Math Open Day and served as a translator for US Boarding School Fairs.

ACADEMIC LEADERSHIP & ADDITIONAL EXPERIENCE

HIGH SCHOOL ECONOMICS LEADERSHIP **2024 - Present**

- ***Shark Club (VNUHCM) from Member to Head of Expert:*** Directed the academic committee of the school's flagship economics club, designing curriculum on supply-demand elasticity and market strategies.
- ***GeniusStar (Mentor):*** Mentored peers in Game Theory and Oligopoly Markets, breaking down complex mathematical and economic theories into accessible frameworks.
- ***AIESEC - Youth For Impact (Mentor & Ambassador):*** Promoted the program as an Ambassador, mentored the 2025 National Champion team in business strategy, and co-coordinated the Final Pitch event for 200+ attendees.

STRATEGICS DEBATE & MODEL UNITED NATIONS **2024 - Present**

- ***Debate Champion & Breaking Judge:*** Crowned Champion (4th Seed) at DAS-DO Debate Open 2025 and consistently advanced to Quarterfinals across 3 major national tournaments. Invited as a Breaking Judge/Adjudicator for 8 regional and international competitions (e.g., FLSS, Connit, DAS-DO)
- ***MUN Leadership (Chair & Content Developer):*** Directed the SPECPOL Committee (27 delegates) at DONMUN. Authored comprehensive academic dossiers and crisis matrices on global security, human trafficking, and post-war economics for 3 major conferences (NKO-MUN, FORTUNNA, SVMUN)
- ***Delegate Awards:*** Awarded Best Position Paper at VSGMUN 2026 (UNHCR) and Honorable Mention at TOMUN 2026 (DISEC).

Research Delegate | National Sun Yat-sen University Science & Innovation Camp (Taiwan) **Jul 2026**

- Selected to participate in data-driven materials research and pitched a conceptual wastewater purification startup to university faculty.

Team Lead - Finance & Strategy | Harvard Crimson Business Case **2025**

- Co-developed a financial model for revenue forecasting and built a mock CAC/LTV dashboard for a business simulation.

Student Intern - Business & Financial Analysis | SI CAFE (Dak Lak Branch) **Jul - Aug 2025**

- Shadowed supply-chain operations and assisted with basic data entry and operational tracking at a local coffee facility.
